From the Editorial Board

The texts included in the current issue of the quarterly *Culture and Values*, entitled "Andrzej Nowicki's Philosophy of »Ascension-into-the-Work«", focus upon the various aspects of the philosophy of culture formulated in the writings of Professor Andrzej Nowicki (1919–2011). Zofia Majewska has served as scholarly editor of this volume.

The editors of the quarterly *Culture and Values* express their gratitude to all those who have reviewed the texts published in this issue. We would like to inform you that a personal list of the reviewers will be published in the last (December) issue of the periodical; it will include all those who have reviewed texts in 2013.

The editorial board of *Culture and Values* invites contributions to two thematic numbers of the quarterly. The first will be dedicated to Russian philosophy and centred round the following topic: "Values, culture and history in Russian philosophy". The deadline for submissions is 30 June 2013. The second issue will examine the current theories of values ("Contemporary Axiology and Ethics: Problems, Debates, Positions"). The deadline for submissions is 30 September 2013. We plan to publish this issue in December 2013.

We invite all researchers who would like to deal with the problematic of our quarterly – both scholars and PhD students – to cooperate with us. We accept texts in Polish, English and German. The submission guidelines are available by clicking the appropriate bookmark on our website**.**

The forthcoming issue of *Culture and Values* will be published in June 2013.
